### Value

YRC Freight is a leader in cross-border transportation between the U.S. and Canada. We offer a broad portfolio of solutions, including expedited and specialized services. Our seamless, asset-based network allows us to be a single-source, end-to-end provider for our customers. YRC Freight is completely security-compliant and certified, with special Border Ambassadors to ensure smooth, speedy border crossings.

- Most direct delivery points across Canada and the U.S.
- Broker Inclusive
- YRC Freight Border Ambassadors available 24/7 to ensure faster border clearance
- Twelve gateway crossing points and service to 93% of the Canadian population
- Online rate quotes, forms and door-to-door tracking
- Access to entire YRC Freight service portfolio, including Time-Critical and Exhibit services

## Features

- ✓ YRC Freight also offers a full portfolio of expedited and specialized services and has a full-coverage network of 20+ service centers in Canada.
- ✓ Cross-Border shipments move on a single invoice from a single provider from pickup to delivery, thanks to our seamless network (YRC Freight / YRC Reimer)
- ✓ YRC Freight border ambassadors are available 24/7 and provide our customers with true cross-border expertise
- ✓ Border ambassadors, located at the border, offer specialized customer service and ensure customs clearance
- ✓ YRC Freight has over 30 years of cross-border experience, and our relationships with brokers and government agencies allow us to quickly fulfill your cross-border needs
- ✓ YRC Freight is fully security-compliant and certified in all relevant programs, including C-TPAT, PIP, FAST, and CSA
- ✓ Offer Broker Inclusive Service

## Benefits

- ✓ One seamless network throughout the U.S. and Canada, with no handoff at the border
- ✓ We service 95% direct into Canada
- ✓ Consistent ease of engagement, customer service, visibility, invoicing, and online tools
- ✓ Border Ambassadors ensure consistently smooth border crossings
- ✓ Unmatched expertise—our Border Ambassadors have offices at the border and relationships with Customs and Brokers
- ✓ Broker-Inclusive service, for the ease of use of a single point-of-contact and single invoice
- ✓ Access to the full YRC Freight service portfolio
